## THE DOUBLE ACTION VIDEO GAME

Pro Games, Inc., has taken the best of two sporting games and combined them in one table model. A simple flick of the switch lights up a whole world of competitive, mind-stimulating action to draw players of all ages. And best of all, one to four participants can play either tennis or soccer on the same machine.

## GAME CHOICES

1 player against the game	25¢
2 players against the game	50¢
Player against player	25¢
Soccer or Tennis	
Four players (doubles)	50¢
Soccer or Tennis	

This diversification of features in a single model insures a much higher and consistent profit than possible before.

The latest in technology and streamlined design has been incorporated into the electronics and cabinet work. The clean, at-

tractive top makes it suitable for use in the most prestigious locations including better restaurants, major hotels, cocktail lounges, private clubs and college campuses throughout the country.

## EXCLUSIVE FEATURES

- No-tilt mechanism
- Control knob stops
- 16" screen
- Tinted glass-protective covering
- Non-glare top
- Unobstructed top
